This is not your average barndominium. From the custom kitchen & exposed-beam great room to the spa-style primary suite w/its own sauna, this 4-bedroom, 3-bath home is packed w/details buyers will not find in a cookie-cutter property. Situated on approximately 4.07 surveyed acres w/Highway 69 frontage & two access points, it offers an unusual combination of space, craftsmanship, visibility & everyday functionality. Step inside to an impressive single-level layout featuring wide hallways, oversized rooms, stained concrete floors, exposed wood beams, recessed lighting, barn doors & custom woodwork throughout. The spacious great room is anchored by a stone fireplace with a pellet insert, custom built-in cabinetry & floating shelves, creating a warm centerpiece for everyday living & entertaining. The kitchen is a showstopper, offering extensive custom wood cabinetry, granite countertops, a massive island w/seating & a gas cooktop, built-in appliances, a workstation-style sink, coffee bar & an oversized walk-in pantry. The large laundry room adds even more cabinetry, counter space & storage. The primary suite feels like a private retreat w/a huge walk-in closet & a spa-style bath featuring dual vessel sinks, a jetted soaking tub, electric fireplace, stone walk-in shower & private sauna. Offering a desirable split floor plan, the home includes 3 additional bedrooms & 2 full baths, providing plenty of space for family &
